

# Privacy Resources

## **Electronic Privacy Information Center**

[www.epic.org](http://www.epic.org)

EPIC is a public interest research center established to focus public attention on emerging civil liberties issues and to protect privacy, the First Amendment, and constitutional values.

## **The Privacy Site**

[www.privacy.org](http://www.privacy.org)

A website for privacy news, information, and action.

## **American Civil Liberties Union – Privacy & Technology webpages**

<http://www.aclu.org/privacy>

Information and resources about the interplay between cutting-edge technology and civil liberties.

## **Real Nightmare** (project of the ACLU)

[www.realnightmare.org](http://www.realnightmare.org)

This ACLU website provides information, news, and resources about the REAL ID Act.

## **Patient Privacy Rights**

[www.patientprivacyrights.org](http://www.patientprivacyrights.org)

Patient Privacy Rights is dedicated to ensuring Americans control all access to their health records. PPR has a Patient Privacy Toolkit, available in the Consumer section of their website.

## **Privacy International**

[www.privacyinternational.org](http://www.privacyinternational.org)

Privacy International is a human rights group formed as a watchdog on surveillance and privacy invasions by governments and corporations.

## **Electronic Frontier Foundation**

[www.eff.org](http://www.eff.org)

EFF defends free speech, privacy, innovation, and consumer rights in today's digital world.

## **Privacy Rights Clearinghouse**

[www.privacyrights.org](http://www.privacyrights.org)

PRC is dedicated to raising consumers' awareness of how technology affects personal privacy.

## **Consumers Against Supermarket Privacy Invasion and Numbering**

[www.caspian.org](http://www.caspian.org)

Consumer group opposed to supermarket loyalty and frequent shopper cards.

## **American Library Association, Office for Intellectual Freedom**

[www.ala.org](http://www.ala.org)

The ALA has a long history of defending intellectual freedom and protecting reading privacy. The Office for Intellectual Freedom can be found directly at <http://www.ala.org/Template.cfm?Section=oif>.
